QEP Learning Outcomes Rubric Score Form

Semester:

STEP 1. Determine which rubric is most appropriate for your course/experience (written or verbal communication). Complete descriptive items below in yellow area.

Rubric Used: Written

Name of person who scored student work:

Description of assignment(s) used for scoring:

STEP 3. In table below, enter rubric score (0, 1, or 2) for each applicable student learning outcome (SLO).

Rubric scores must be reported for EACH and EVERY student enrolled in the course.

Rubric Scores Key: 0 = Does not meet expectations 1 = Meets expectations 2 = Exceeds expectations

		QEP Student Learning Outcomes						
Student ID	**Student Name**	1. Uses sources that are appropriate and relevant.	2. Spelling is essentially error-free (only minor errors exist).	3. Exhibits standard rules of grammar, syntax, and punctuation.	4. Language and content serve the intended purpose of the communication.	5. Uses language, jargon tailored to audience understanding.	6. States a clear conclusion that is consistent with the evidence presented.	7. Presents paper with a professional level of polish.
STEP 2. Copy/paste student UWF IDs (970xxxxxx) and Names from the roster. It is ok if the ID and name are pasted into a single column.
