RESEARCH EXPERIENCE

2014-present, **Research Co-Investigator**, Attack Infant Mortality (AIM Escambia), Pensacola, FL

- Collaborated with colleagues in public health and psychology on structured three-phase research project: education (train the trainer model), awareness (media campaign) and research.
- Completed phase 1- education of 100 + community members trained as AIM educators and local billboard media awareness campaign.
- Currently engaged in phase 2- community stress assessment survey, peer education training and hiring of community-based training coordinators.

2011, **Research Assistant**, Morehouse School of Medicine, Atlanta, GA

- Conducted data analysis for State of Georgia, Department of Juvenile Justice therapeutic program.
- Created final report with narratives, statistical data, graphs and tables to summarize reported findings using SPSS statistical software package.

2010, **Project Coordinator**, Imani Group, LLC, Atlanta, GA

- Conducted qualitative interviews and quantitative measurement scales to explore the use of religious coping among African American female breast cancer survivors.
- Maintained database and analyzed data with SPSS software package.
- Monitored protocol to ensure ethical compliance.

2010, **Research Assistant**, Morehouse School of Medicine, Atlanta, GA

- Conducted research to evaluate high-risk behaviors of delinquent youth.
- Maintained database and analyzed data with SPSS software package.

2010, **Research Assistant**, The University of Georgia, Athens, GA

- Composed interview guide and survey instrument for Department of Juvenile Justice youth.
- Conducted individual interviews and focus groups.
- Assisted with development of report summarizing strengths and weaknesses of psycho-educational therapy.

2009-2010, **Research Assistant**, The University of Georgia, Athens, GA

- Worked on a team to complete reaffirmation materials for the BSW Council on Social Work Education site visit.
- Completed statistical recoding and analysis for Gwinnett satellite campus part-time MSW student satisfaction survey.
- Worked with Georgia Department of Justice to conduct an analysis of Youth Risk Behaviors including database maintenance and analysis of findings.
- Conducted reviews to support research in areas of juvenile delinquency, substance use, and suicide ideations and quality of life issues for adolescents.

PRACTICE EXPERIENCE

2008- 2011, **Shelter Advocate**, part-time, Partnership Against Domestic Violence, Atlanta, GA

- Managed communication office, answered and documented crisis telephone calls.
- Provided conflict resolution assistance to shelter residents and hotline callers.
- Conducted exit interviews and safety planning with clients

- Completed relevant documentation and monitored ongoing safety of shelter and residents.

2008-2009, **Senior Case Manager**, Achor Center, Inc., Atlanta, GA

- Completed intake assessments and interview screenings.
- Provided on-going case management services for women and children.
- Organized and supervised children's activities and educational support.
- Developed and monitored individual service plans.
- Conferred with program staff to coordinate transfer of program members to community residential programs and develop long-term success strategies.
- Assessed residents' needs and brokered community referrals to mental health services, substance abuse treatment facilities and housing placements.

2007-2008, **Children's Advocate**, Partnership Against Domestic Violence, Atlanta, GA

- Conducted intake assessments, on-going assessments and exit interviews.
- Provided on-going service coordination for all children in the shelter including individualized case plans and client referrals.
- Facilitated weekly parenting support group and children's support group.
- Provided community outreach to schools, communities and churches requesting domestic violence information, presentations or assistance.
- Supervised undergraduate and masters' level interns to ensure service-learning goals were met.
- Counseled individuals, children and families as needed.
- Conducted anger management and stress management groups.

2008-2008, **MSW Therapist Intern**, Social Empowerment Center, Lilburn, GA

- Conducted clinical family assessments utilized per Georgia Department of Family and Children Services (DFCS), community mental health agencies and court systems.
- Completed home evaluations as requested by DFCS.
- Provided counseling and therapy to individuals and families.
- Provided court-mandated parenting sessions as requested.

2006- 2007, **MSW Therapist Intern**, Girls and Boys Town, Decatur, GA

- Conducted psychosocial assessments with clients and their families.
- Facilitated weekly group therapy sessions.
- Provided individual therapy sessions as needed, according to client service plan.
- Developed and monitored individualized service plans.
- Provided client referrals for continuation of care after program completion
- Completed discharge report for court proceedings as requested by the Georgia Department of Juvenile Justice.

ADDITIONAL RELATED EXPERIENCE

2002-2004, **Math and English Teacher (middle school)**,

East Baton Rouge Parish School System/Teach for America, Baton Rouge, LA

- Served as a member of a national service corps of outstanding recent college graduates who commit to teach two years in an under-resourced urban public school.
- Developed and received an oral history grant to incorporate African American historical events into the English curriculum; planned program to showcase student work based on local civil rights events.
- Co-directed teachers in the use of new technological resources and technology innovation in classroom lesson planning activities.
- Planned, developed and implemented various instructional strategies to meet the educational needs and

abilities of students based on national and state guidelines.

2001-2002, **Reading Tutor**, Atlanta Public School System, Kennedy Middle School, Atlanta, GA

- Conducted reading assessments for students referred by classroom teachers
- Provided individualized instruction and created lesson plans to target specific reading goals.
