

**CIRCUIT 1  
HUMAN  
TRAFFICKING  
TASK FORCE**

10/10/10 Take Action Campaign

Ask yourself what can I do in 10 minutes, 10 days, and 10 months to fight trafficking.

Ideas:

10 minutes:

- » Add the National Human Trafficking Hotline to your phone
- » Share the link to an article or upcoming event on trafficking to social media
- » Sign up for alerts and/or newsletters from anti-trafficking organizations such as the Polaris Project

10 days:

- » Continued education- Commit to reading, listening to, and/or watching a certain number of human trafficking-related resources
- » Talk to someone you know about human trafficking

10 months:

- » Attend a conference or seminar
- » Volunteer with an anti-trafficking organization
- » Hold an awareness event (large or small - Sunday school group, etc.)
- » Become a mentor to a young boy or girl
- » Change consuming habits - purchase products that do not use components or raw materials in their supply chain from areas utilizing forced labor or child labor (slaveryfootprint.org)
